

Surrey Healing Association

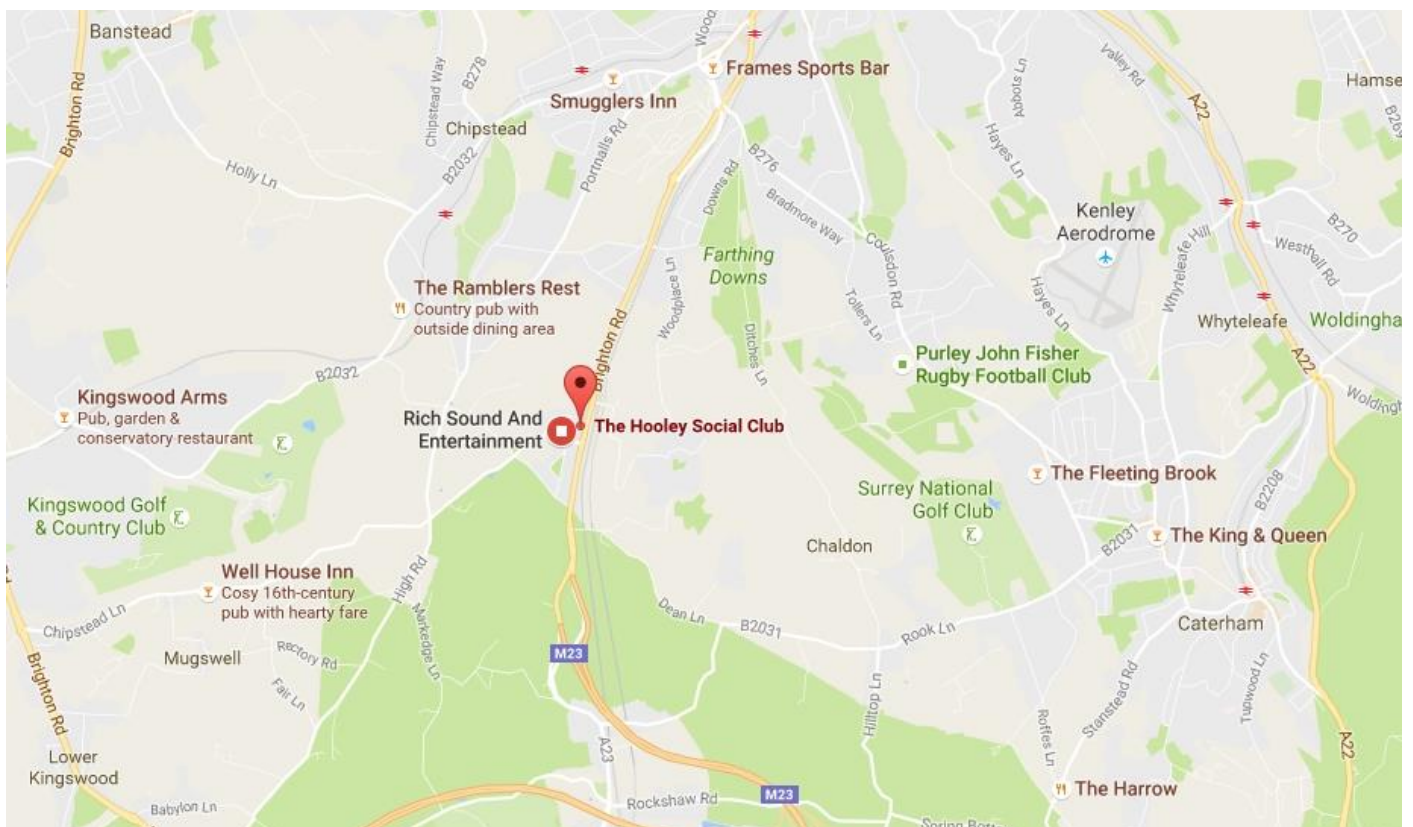

2018 Annual General Meeting

Saturday 17th March 2018 - 12.30pm for a 1pm Start

Hooley Village Hall/ Hooley Social Club, St. Margaret's Road, Hooley, Surrey, CR5 3RB.

Nearest railway station: Coulsdon South. By car: A23 near Junction 1 of M23.

Although our AGM is for official business it is open to all our members and we encourage you all to attend, meet the committee and other like-minded members and to understand more about how Surrey Healing Association works, what we do, and how you can get more involved. Student/ Probationary healers are particularly welcome to join us (although they do not have voting rights yet). Our official meeting is always followed by a light lunch and a friendly and informal networking session, allowing us all to put names to faces and discover each others' strengths and healing aspirations. We are mindful that for some of our members Surrey represents quite a journey for an afternoon of business, which may be off-putting. We would like to remind you all, however, that our venue is right on the edge of the Surrey Hills Area of Outstanding Natural Beauty (AONB) and at this time of year the forests and hillsides are usually awash with bluebells, rhododendrons and other early spring flowers so you might want to consider making the most of your time in the area by booking bed & breakfast or hotel accommodation. Visit Box Hill, Leith Hill or The Hurtwood- You won't be disappointed!

The Hurtwood, Surrey Hills AONB
